Our community has a good chance of attracting a major employer if we just spend money on improving our infrastructure	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
We should focus more on supporting small businesses rather than trying to attract a major employer	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Our community has natural, historic and/or cultural assets around which we can build new businesses	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Workforce issues - including employability problems such as drug addiction - are the main thing holding our community back	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Income inequality - the gap between the well-off and everyone else - is a growing problem in our community	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Everyone should be able to make it on their own if they just work hard enough	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Addressing problems such as teen pregnancy in order to get children started on a good path in life will go a long way towards making us a more economically vibrant community	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

2. Do you support or oppose the actions listed below?

	Strongly Support	Somewhat Support	Somewhat Oppose	Strongly Oppose	Not Sure
We should spend money to attract industry, EVEN IF there is no guarantee these industries will stay, or even come	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
We should cut business taxes, EVEN IF this means that less funding will be available for education and other government programs	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
We should focus on building our economy around our existing businesses and strengths, EVEN IF they may not generate a lot of money	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
We should encourage students to be entrepreneurs, EVEN IF this lifestyle may be financially risky	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
We should require a living wage for all employees, EVEN IF this may mean some businesses will need to cutback on new hiring or even layoff existing workers	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
We should establish government purchasing policies that give preference to local businesses, EVEN IF that means paying more for goods and services	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
I am personally willing to buy more from local businesses, EVEN IF it means spending more	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
