Climate Choices

Join us for this conversation. We will use the National Issues Forum guide *Climate Choices: How should we meet the challenges of a warming planet* for this "small group" open discussion about the changing climate and its effects on a rising sea level.

Tuesday, July 5th 2– 3:30 p.m.
MEO Central Library, Libris Rm
Adults & Teens

Online registration is required and begins June 1st.

Visit the following link to register: www.vbgov.com/library-events
or call 385-0150 for more information

**VIRGINIA BEACH
