

# YOU ARE INVITED TO A COMMUNITY FORUM ON HEALTH CARE!

SUMTER LIBRARY, 111 N. HARVIN ST, NOV. 14, 2015,  
2:30PM—4:30PM

## COME SHARE YOUR IDEAS WITH YOUR NEIGHBORS.

### SOME OF THE IDEAS WE WILL TALK ABOUT ARE:

1. As a Nation and as Individuals, We need to live within our means... but, the most vulnerable may be forced to delay or go without care.
2. Make the Health-Care System more transparent, efficient, and accountable...But, changing the system could put too much responsibility on patients to make difficult medical decisions.
3. Take responsibility for lowering Health-Care costs by focusing on Wellness...But, this interferes with people's freedom of choice. And, it's not fair to hold individuals responsible for their genetics, lack of resources, or bad luck.
