

Forum Assessment 4: My Overall Progress/What I Learned

Directions. Read the list of skills below before responding to the prompts that follow. You may add to the list, if you wish. Refer to at least three of the experiences in your responses.

Forum Experiences

being open-minded	choice-making
concentrating on one issue	listening respectfully
responding to others' comments	deliberating
sharing my experiences	speaking clearly
understanding choices	understanding issues

1. At the beginning of the forum, the experience(s) I had the most trouble with were

2. I had trouble with this experience because

3. After the forum, I felt that I had/had not improved in these three areas because

4. The most important thing that I learned about myself during the forum was

5. The most important thing that I learned about the issue was
